Helpful customer service!Best Shooting Game: Contract Killer 2Best Strategy: Imperator: RomeBest Action: Katana ZEROBest RPG: Stardew ValleyBest Adventure: A Story About My UncleBest Game for Kids: MinecraftTop comment 'In regards to The Sims 4, I think it's a great base game if you've never played The Sims 3 because it's missing some key features which makes it weird paying full price for a base game, which didn't even include as much as the base game for Sims 3 included, BUT this is still a great base game with a lot of detail.. With hundreds of Mac games being released each month, you are likely to get confused while searching for games that deserve your attention.. Play free games for Mac Big Fish is the #1 place to find casual games! Free game downloads.
